and exposure to career pathways in in-demand job sectors. This program will fund projects designed to link existing summer employment programs, including the LWDB-administered local summer employment programs and non-LWDB programs run by cities/counties (where they exist), with LEAs, re-engagement centers (where they exist), employers, and other community partners to streamline service delivery, align resources, and assist youth in preparing for successful entry into the workforce. To be eligible for a CPY grant, applicants must administer an existing summer employment program or partner with an existing summer employment program that is not administered by the LWDB. The Department expects that most LWDB-administered programs will be WIOA-funded.
